## superintendent's **MESSAGE**

Welcome to the 2018-19 school year at Schuylkill Valley School District! The last school year ended with many wonderful celebrations of all of our student successes, culminating with our largest celebration at high school graduation. I spoke at graduation about how everyone can decide what their definition of success is and how they will get there. This summer, as I was revisiting two books from my shelves, I connected back to those thoughts and on what factors contribute to success.

The two books are Ellen Galinsky's *"Mind in the Making: The Seven Essential Life Skills Every Child Needs"* and Arthur Costa and Bena Kallick's *"Learning and Leading with Habits of Mind: 16 Essential Characteristics for Success."* Each book is applicable to the parenting and education work that we do. Costa and Kallick's habits of mind can be associated with Galinsky's essential skills and some, such as communicating and critical thinking, are quite familiar. Several have not had quite as much attention.

One of these areas is focus and self-control. Focus is becoming a rare commodity in the age of technology when there are constant demands on our attention. Galinsky gives some examples of this skill: stopping and thinking before you act, such as not blurting out something without

thinking it through; being able to pay attention even when there are distractions; sticking with something you are doing even after you've had an initial failure; and deferring short-term rewards for better, long-term rewards. There are several strategies for encouraging these skills in our children, but one of the best is the modeling of these behaviors by adults. For an interesting and fun video of preschool children demonstrating (or not demonstrating) this skill, search for *"The Marshmallow Test"* on YouTube.

Another essential skill is perspective taking. This is similar to empathy. Businesses have identified empathy as one of the most important qualities that an employee can have. Perspective taking is a complex process. It is an intellectual skill that enables us to discern how someone else thinks and feels. Why is this important, and why is it an important skill in the business world? Everyone wants to feel listened to, understood and treated with respect. These are important for any successful interactions and positive outcomes.

If you are interested in reading more about success factors for children and adults, I recommend these two books. They are research-based, but are reader-friendly. My best wishes for a wonderful and successful 2018-19 school year.

*Dr. Cindy Mierzejewski*  
Superintendent

Valedictorian Lucas P. Horrell

Salutatorian Olivia M. Jenkins

## SV Graduates: Class of 2018

continued from front cover

### Summa cum laude honors (4-year GPA 4.000 or higher):

Zachary Bevans	Olivia Jenkins
Mackenzie Homan	Colby Stichter
Lucas Horrell	

### Cum laude (4-year GPA 3.500-3.749):

Cecily Ramirez	Brian Abreu-Hernandez
Carissa Trievel	Colin Gwiazdowski
Hallie Jacobs	Madison Davidson
Jacob Jerdan	Kelsey Patrick
Joshua Rehr	Emily Wyatt
Gabrielle Spracklin	Sarah Zockoll
Cassandra Miller	Rebecca Zeiner
Autumn Schell	Ashley Spatz
Connor Becker	Arlynn Bermudez-Morales
Michael Dailey	
Carson Himmelberger	

### Magna cum laude honors (4-year GPA 3.750-3.999):

Emily Gunkel	Madison Parker
Joseph Jardine	Kasey Bubel
Elizabeth Clement	Laura Henne
Fiona Murphy	Kaitlynn Wayman
Bryce Burtnett	Kara Unger
Rylee Arena	Katarina Werber
Donald Ballou	Carly Mundell
G. Michael Shott	Ellen Robinson

## Senior Banquet Award Winners

On June 4, awards were presented at the Senior Banquet to students for outstanding accomplishment and/or participation in co-curricular activities, including music, drama and athletics. Congratulations to:

**Joe Jardine, Kasey Bubel, Emily Gunkel, Fiona Murphy, Colby Stichter**  
– PIAA Academic All-Star Award

**Kasey Bubel, Nick Sager** – PIAA District III Sportsmanship Award

**Emily Gunkel**  
– Outstanding Musician Award

**Colby Stichter**  
– Outstanding Male Athlete

**Kasey Bubel**  
– Outstanding Female Athlete

**Emily Gunkel**  
– Commitment Award

## Welcome Mr. Crills! New Elementary School Principal

The Elementary School warmly welcomes **Mr. Jeremy L. Crills** as its new principal. Mr. Crills was most recently the assistant principal at the middle school. He and his wife, Coleen, live in Bern Township and have three children – Colby, Carly and Carson – all in SV schools. Mr. Crills holds a bachelor's degree, a masters' degree in Education, an Educational Leadership Certification, and is in the middle of his doctoral program at Wilkes University. Prior to his role at the middle school, Mr. Crills was employed as a teacher in the physical education departments at Governor Mifflin middle school, Lancaster/Lebanon IU 13 and the Reading School District.

He coached high school football for 18 years and coached SV youth sports for the past eight years. In his spare time, he enjoys watching his children participate in their activities, fishing, reading, attending and watching Penn State football games, and volunteering with his family at the local food pantry and Special Olympics. In his new role at the elementary school, Mr. Crills hopes to continue the great success that students and teachers have achieved the past few years. "I am here to support the teachers and encourage them to do what is best for our students to reach their highest potential. I love that we focus on educating the "whole" child in our school district and I will work to support that philosophy."

## Our Students Are Growing!

The next time you're on campus, be sure to stop near the gym side of the elementary school to see the new school garden. Conceived of and designed by school volunteer and parent **Mrs. Bethany Kehs-Rossi** and Discovery/STEM teacher **Mrs. Mary Kate Raytek**, the raised gardens will provide hands-on experience to supplement curriculum in grades K–4. By planting and growing sunflowers, pumpkins, wildflowers and vegetables, students will be responsible for the care and maintenance of the garden while gaining valuable lessons in nutrition, life cycles, environmental awareness, cooperation, math, measurement, science, social studies and communities.

The garden will serve as an outdoor classroom as well as to promote nutrition, health and more. According to Mrs. Kehs-Rossi, school gardens not only promote healthy lifestyles, but also have been shown to improve children's behavior and academic performance in school.

The gardens were laid out and filled with soil near the end of the school year by Mrs. Kehs-Rossi, her children and members of the **Koller family**, all SV students. Community sponsors,

including **Geissler's Tree Farm** and **Baker Heirloom Seeds**, generously contributed to the project with donations of soil and seeds. The intention is to begin the 2018-2019 school year by engaging students in classroom activities around planning, observation and planting in order to experience all aspects of a garden's life cycle. With a team comprised of administrators, classroom teachers, faculty representatives from special education, art, the library, guidance counseling, the nurse's office, custodial staff and volunteers focused on helping our students to appreciate nature and growth, there should be a bountiful harvest of learning opportunities. As students grow, so will the garden. "We want our students to establish strong roots within our community, cultivate their minds by engaging in problem-solving, and grow into capable and exceptional individuals," Mrs. Kehs-Rossi said. "A school garden is a great platform on which to begin that journey."

## New SVMSP TO

A hearty welcome to the new SV Middle School PTO, which has been organized to support and enhance the educational experiences of the middle school's students. All middle school parents and guardians are welcome to join the MSPTO. Meetings will be held on the third Monday of the month at 6:30 p.m. in the middle school.

One of the MSPTO's first events will be a Music Festival featuring local performers and bands, including students, starting at 3:00 p.m. on Saturday, September 15, at the middle school. There will be food for purchase and a raffle with fabulous prizes, including a \$500 gift certificate to Spark Dental/Orthodontics, an American Girl doll, a Ring video doorbell and a piece of furniture from The Mint Leaf. Free admission, donations accepted.

If you are interested in performing during the Music Festival, please contact SVMSP TO president **Heather Hueske** at [heatherhueskesvmspto@gmail.com](mailto:heatherhueskesvmspto@gmail.com), or treasurer **Sara Stanley** at [sarastanleysvmspto@gmail.com](mailto:sarastanleysvmspto@gmail.com).

Other upcoming MSPTO events include SV Pop Socket and spirit wear sales and a "What A Crock" (pre-made crock pot meals) fund raiser. Please find the MSPTO on Facebook at Schuylkill Valley Middle School PTO.

# PTO

## SVESPTO

The Elementary School PTO continues to assist parents and teachers in providing meaningful support for their students and school. Last year, among many other donations, the ESPTO helped the elementary school purchase brand new cafeteria tables, which was a significant contribution. In addition, the fundraisers for the ESPTO pay for new library books, field trip expenses, grandparents' day and special events. Thank you to all who participate in the ESPTO fund raisers!

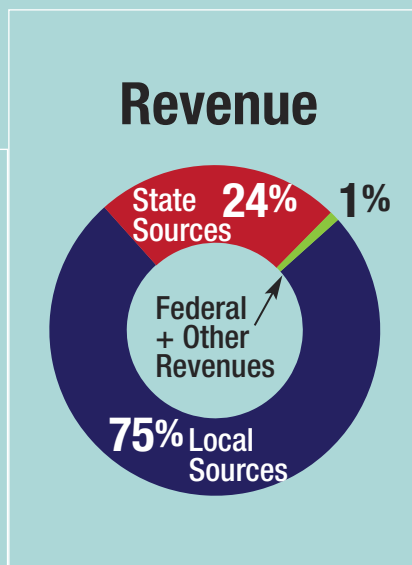

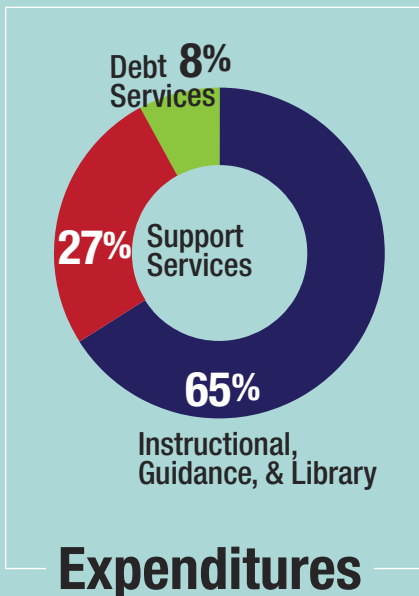

**August 17** – Free Family Movie Night  
8:00 p.m., school campus

**August 27** – No Cook Night at Andali's

**September 11** – First ES PTO Meeting of the School Year, 6:30 p.m. ES Cafe

**September 29** – Harlem Wizard Event in the SVHS gym

The budget for 2018-2019 has total expenditures of \$38,960,878, which is an increase of \$959,786 or 2.53% over 2017-2018 expenditures.

In June, the Schuylkill Valley Board of Directors approved a budget of \$38,960,878, without increasing taxes. This is the fourth year out of the past five that the Board has avoided raising taxes. Business Manager **Mrs. Wendy Boarder** said that certain positive developments contributed to an increase in revenue. The district's property tax rolls increased approximately \$8.6 million and the district's tax collection rate increased to 96%, adding about \$348,000 in new tax revenues.

In addition, real estate tax interim bills are projected to increase approximately \$13 million due to new and additional industrial development within the district, adding new tax revenues of about \$350,000.

The approved budget did not cut any jobs and filled all four retiring teacher positions, in addition to providing for the hiring of the Director of Teaching and Learning, a speech therapist, part-time game manager, and an elementary teacher to maintain smaller class sizes.

As a result of the distribution of state gaming funds through Act 1 of 2006, school property taxes were reduced by \$154.79 this year for all property owners who qualified as homesteads and/or farmsteads. The annual tax bill for a property assessed at \$100,000 remains at 27.07 mills, or \$2,707.

For more information about the SVSD budget, please visit the Administration/Business Office page of our website: [www.schuylkillvalley.org](http://www.schuylkillvalley.org).

## 2018-2019 District Budget

## Our Dedicated Elementary School Faculty and Staff

On June 8, faculty and staff from the elementary school proudly dedicated a new sign acknowledging the school's International Literacy Award for Outstanding Language Arts Program.

**Principal Mrs. Melissa Kelchner** thanked everyone, from the teachers to the custodial staff, for contributing to the excellence that achieved this important recognition.

## After-School Bagged Lunch Program for Middle and High School Students

The Food Services department recognizes that many middle and high school students staying after school for activities, practices and games don't bring additional food to fortify themselves before these events. Beginning on Tuesday, September 6, interested students may pre-purchase after-school bagged lunches (\$3.50) or snack bags (\$2.00) during lunch periods at both cafeterias. Students will fill out a paper order form and present it to the cafeteria cashier. The cost for these bagged lunches will be charged to each individual student's cafeteria account. Students on free and reduced lunch will have little to no cost for this program. At the conclusion of the school day, the high school and middle school cafeterias will be open for ten minutes following dismissal for students to pick up their bagged lunches. The purpose of this program is to ensure that students have food available after school and to make it safer and

easier for the students to get healthy food before practice or games. We hope it will also cut down on high school students having to walk or drive off-campus for food. As an added bonus, we hope it helps parents by eliminating the need to pack a snack in the morning for after-school activities.

### **BAGGED LUNCH - \$3.50**

(Choice of one in each category)

**Sandwich:** Peanut Butter & Jelly  
Uncrustable, Grilled Chicken Wrap,  
Italian Hoagie

**Fruit:** Apple, Banana, Applesauce  
Cup, Fruit Juice

**Bag of Chips**  
**Cookie**  
**Bottled Water**

### **SNACK BAG - \$2.00**

(Choice of one in each category)

**Protein Snack:** Cheese Stick, Yogurt

**Fruit:** Apple, Banana, Applesauce  
Cup, Fruit Juice

**Grains:** Granola, Granola Bar
