

**SCHUYLKILL VALLEY  
SCHOOL DISTRICT**

Book	Policy Manual
Section	700 Property
Title	Signage and Decoration
Code	710.1
Status	Active
Adopted	September 27, 2021

**Authority**

The Board recognizes the right of administrative, professional, and support employees to create their own classroom aesthetic. However, the employer retains its rights to direct and manage items displayed in classrooms.

The Board adopts this policy to clarify situations in which an employee's classroom decoration or signage may vary from the district's specifically adopted curriculum.

**Guidelines**

Signage, photographs, decorations and any other item displayed in or on school district property or buildings including, but not limited to, classroom walls must comply with all Board policies and procedures, and those that are not curriculum-related to the respective classroom are subject to removal at the administration's discretion.

**Delegation of Responsibility**

Initial determinations regarding the display and/or removal of said items as well as compliance with this policy and all other Board policies shall be made by the building principal.

Final determinations regarding the display and/or removal of signage, photographs, decorations, or any other items as well as compliance or non-compliance with this policy shall be made by the Superintendent or his/her designee and shall be made pursuant to his/her discretion.

In the event of a dispute over whether or not an item may be displayed or must be removed as well as whether or not compliance with all Board policies exists, an appeal may be made to the Superintendent, whose determination shall be final.
